Research Fields

Health Economics, Policy Evaluation, Access to care and Health Inequality,
Healthcare Management, Clinical Informatics, Statistics & Causal Inference

Academic Appointments

- **Senior Research Fellow in Health Economics & Policy Evaluation** 2024–present
Nuffield Dept. of Primary Care Health Sciences, University of Oxford, UK
- **Research Member of the Common Room** Sept 2025–present
Kellogg College, University of Oxford
- **Affiliated Research Fellow** 2017–2026
Institute for the Evaluation of Public Policies (FBK-IRVAPP),
Bruno Kessler Foundation, Italy
- **Research Fellow in Health Economics** 2021–2024
Nuffield Dept. of Primary Care Health Sciences, University of Oxford, UK
- **Visiting Fellow** Apr.–Jul. 2024
Department of Economics, University of Verona, Italy
- **Research Collaborator** Jan.–Mar. 2024
Department of Statistics and Quantitative Methods,
Milano Bicocca University, Italy
- **Research Fellow** 2021–2022
Climate change, Finance, and Global Health Project
Dept. of Economics, Ca' Foscari University, Venice, Italy
- **Research Fellow** 2019–2021
Excluded Lives Project
Dept. of Education, University of Oxford, UK
- **Research Assistant** 2017–2018
Institute for New Economic Thinking (INET),
Oxford Martin School, University of Oxford, UK
- **Junior Researcher** 2015–2017
Research Institute for the Evaluation of Public Policies
Bruno Kessler Foundation, Italy

Education

- **Ph.D., Nuffield College, University of Oxford, UK** 2023
- **MA and BA, University of Trento, Italy** 2017, 2015

Teaching Experience

- **Health Inequality and Public Policy** 2025
Brunel Business School London
Healthcare access inequalities and interventions to reduce disparities in primary and secondary care.
- **Health Econometrics and Policy Evaluation Workshop** 2022–2025
Nuffield Dept. of Primary Health Care, University of Oxford
Biannual (March/October) Advanced Methods for Health Policy Evaluation
- **Master in Economics of Health Care** 2023–2025
Dept. of Continuing Education, University of Oxford
Module on Policy Evaluation and Econometrics
- **Analytical Skills for Public Policy Research** 2023
Brunel Business School London
Research Design and Research Methods for Public Policy Research
- **Healthcare Policy and Programme Evaluation** 2023
Brunel Business School London
Theories and challenges in evaluating healthcare policies and programmes.
- **MSc Advanced Quantitative Methods. Stata Lab** Jan.–Mar. 2022
Dept. of Sociology, University of Oxford
Hands-on training in Stata for Advanced Quantitative data analysis
- **Interrupted Time Series and Difference-in-Differences Methods** Mar. 2022
Nuffield Dept. of Primary Health Care, University of Oxford
Training on implementing Interrupted Time Series and Difference-in-Differences methods using R for Policy Evaluations
- **Statistics for the Human Science Degree** 2018–2020
St Benet's Hall and Mansfield College, University of Oxford
Statistical concepts and Methods for Human Sciences, including Hypothesis Testing and Regression analysis
- **Statistics and Social Research, Oxford-Stanford Exchange Programme** 2019
Stanford House, University of Oxford, Stanford University
Statistical techniques for Social Research, including Survey analysis and Experimental Designs
- **Advanced Quantitative Methods. Stata Lab** Oct.–Jan. 2018
Dept. of International Development, University of Oxford
Advanced Quantitative methods using Stata
- **Teaching Assistant in Quantitative Methods for BSc in Sociology and International Relations** 2015–2016
Dept. of Sociology, University of Trento, Italy
Assisting in the teaching of Quantitative methods for undergraduate students

PhD and Master Students Supervision

- Co-supervisor: Mingze Xu (2024-2027), DPhil at Nuffield Department of Primary Health Care Sciences, University of Oxford
- Co-supervisor: Catharina Savelkoul (2023-2026), DPhil at Nuffield Department of Primary Health Care Sciences, University of Oxford
- Supervised four Master thesis students at the University of Verona
- Supervised two Master thesis at Ca'Foscari Venice University
- Oxford Internal Assessor for ToS: Mingzheng Hu (2025-2028), Mayar Mina Najat (2021-2025), Daan-Max van Dongen (2023-2026), and Mingzheng Hu (2024-2027)
